ADMINISTRATION

On September 8, 1954, Mr. Brooks A. Parsons entered the New Richmond School, as superintendent for his first year. Already, he has achieved much, and the school has prospered under his care. He has a full day and week, yet each problem that is taken to him is handled personally.

Mr. Parsons, who was athletic director in our school for three years, and helped to make our basketball team a winning team, is certainly accredited to our humble praise and our highest esteem. We show our appreciation the only way we know how, by expressing our sincere respect in this manner.

Dedication

Mr. Rawlings came to New Richmond in 1951, when he assumed the position of industrial arts teacher. He has now become principal of the high school, and we feel he greatly deserves this honor.

The Senior Class of 1954 is very proud to have had him as our class sponsor for our last three years of high school. He has been more than just a teacher to everyone. Whenever we have had problems, he has tried to find a solution for each. We feel that we have all gained by his presence in our school, and we hope that in the years to come, he will continue to gain the admiration and respect of the future students.

In this small way, we hope to show him that we all appreciate his help, and wish him success in everything he strives to do.
